

for all physicians

find the career opportunity of a lifetime

Welcome to the pearl of Florida, **Sarasota** – a sophisticated community known for its high standards and quality of life in an incomparable setting. The Sarasota/Manatee County area is one of the fastest growing regions in the country in a medically progressive state.

Blessed with a moderate climate and the picturesque blue-green Gulf of Mexico with its soft, white sand beaches, a resort atmosphere prevails year-round in Sarasota. The pleasure extends much further than that, however, with the opportunity for physicians to live and play in an ideal venue, while practicing medicine in state-of-the-art facilities.

Intercoastal Medical Group (IMG) is offering outstanding career opportunities for physicians to enhance their careers while living in one of the country's most sought after locations. You will find a professionally rewarding atmosphere in a community that offers a unique professional and cultural mix.

Founded in 1993, **IMG** is an association of more than eighty-six highly credentialed physicians encompassing twenty-two medical specialties serving Sarasota and Manatee counties with seven locations. **IMG** is this area's premier provider of choice.

discover Sarasota's distinctive lifestyle

Enjoy the professional, cultural and educational advantages of big city living in a scenic and natural coastal setting. The area has action and entertainment for every age and interest under the sun.

Sarasota is the cultural center of Florida's Gulf Coast, home to the Florida West Coast Symphony, the Asolo Theatre – a leading regional theatrical company – the Van Wezel Performing Arts Hall and Sarasota's Historic Opera House – hosts to musicals, operas, classical and jazz concerts, ballets and performances by legendary stars.

The monumental Ringling Museum of Art and the Ca' d'Zan, the former mansion of circus impresario John Ringling, are renowned institutions. Internationally recognized Mote Marine Aquarium offers close up views of salt water fish and sea creatures while the Selby Botanical Gardens are noted for their extensive orchid collection. South Florida Museum in nearby Bradenton features one of the most progressive planetariums in the world.

The heart of downtown Sarasota offers an unrivaled choice of fine cuisine, coffee-houses, shops, galleries and outdoor cafes. Just across the Ringling Causeway is the fabled St. Armands Circle and its array of shops, boutiques, art galleries and fine dining – providing the ultimate environment for a casual but classy, cosmopolitan lifestyle. Or, make reservations for a sunset dinner cruise on sparkling Sarasota Bay. For a night on the town, live music and dancing is abundant.

Warm sunshine and cool Gulf breezes are the ideal conditions for outdoor activities year-round, from boating, parasailing and fishing to playing golf on more than twenty-five area courses. Travel to anywhere in the world with convenient air service from Sarasota/Bradenton International airport or Tampa International airport.

The Sarasota/Manatee County area is a safe, family oriented community. Excellent educational opportunities include a strong public school system and numerous accredited private schools for Pre K- 12. Four nationally ranked universities and colleges as well as a noted community college and several technical institutes – offer outstanding opportunities to students of all ages.

For the perfect combination of professional opportunity in a safe, highly livable and cosmopolitan community with natural beauty, excellent educational choices and top-flight technology and services, contact **IMG**. Join our team of professionals and watch the investment in your future grow
